

<div> With Team Psychological Safety</div> <div><div>Teams can experiment and grow</div><div>Teams can admit weaknesses and mistakes</div><div>Teams can challenge ideas</div><div>Teams can continuously improve</div></div>	
With Team Psychological Safety	
Teams can experiment and grow	
Teams can admit weaknesses and mistakes	
Teams can challenge ideas	
Teams can continuously improve	

Without Team Psychological Safety

Teams don't **ask questions**
Teams **worry** about looking **foolish**
Teams are **afraid** to **speak up**
Teams **preserve the status quo**

Without Team Psychological Safety
Teams don't ask questions
Teams worry about looking foolish
Teams are afraid to speak up
Teams preserve the status quo
